I hereby certify that I have read and examined this application and know that same to be true and correct. All provisions of law or ordinances governing this type of work will be compiled with whether specified herein or not. The granting of this permit does not presume to give authority to violate or cancel the provisions of any other State or Local law regarding construction or the performance of construction.

Date

NOTICE TO APPLICANT

This permit becomes null and void if the work or construction authorized is not commenced within 180 days or if work construction is suspended or abandoned for 180 days at any time after work is commenced.

All work shall be done in accord with the approved plans except where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval of the Building Official.

It is the responsibility of the permittee to obtain the required inspections. Failure to notify this department that the work is ready for inspection may necessitate the removal of some of the construction material at the owners expense in order to perform such inspection.

PERMIT IS APPROVED FOR WORK DESCRIBED ABOVE IN ACCORD WITH THE APPROVED PLANS AND SPECIFICATIONS.
