

Public Records Request (Non Law Enforcement)

Please note: Washington State law restricts certain uses of public records, including, but not limited to RCW 42.56.070(8), which prohibits using lists of individuals for commercial purposes.

You declare by your signature on the form, under penalty of perjury and other laws of the State of Washington, that the requested records shall not be used in violation of State Law. Unsigned requests will not be honored.

[Find the form here](#)

Documents may be made available by electronic means or via paper copy depending upon the type of record and location. Paper records will be made available for public inspection at no cost. Charges for paper or electronic copies are as shown in the most current Fee Schedule.
