Special Events/Use Permits

Organizations (or individuals) who sponsor any event that plans on using any roadway, sidewalk, or [Public Space](#) in the City, must have an approved Special Events or Special Use Permit. [Applications](#) are processed on a first come, first served basis and are acted upon within two business days of receipt. Some permits have specific requirements for insurance, which the applicant must obtain, prior to a permit being issued. All costs for such permits are in the [Consolidated Fee Schedule](#) and applications must be accompanied for cash or check in the full amount. Applications not accompanied by payment in full will not be acted on.
