The Tenino Depot Museum Grounds are part of Tenino City Park. The Museum is on the National Historic Register and is a space that is entrusted with preserving Tenino's rich history. Currently the building has limited staff and consists of many structures. A long-term master plan for the Museum will help to ensure that the Museum is maximizing its tiny footprint while ensuring that this treasure fits seamlessly into Tenino City Park. What would you like to see incorporated into the Museum Grounds Master Plan?
